

CITY PLUMBING *HEATING & ELECTRIC*

February PRESS RELEASE

City Plumbing, Heating & Electric began its ‘Give Back to the Community’ program in November of last year. In this economic climate charitable and nonprofits are also having a tough time making ends meet.

November - Charitable Christian Medical Clinic - \$980.00

December – The Jackson House - \$1,340.00

Announcing January - C.A.S.A. - \$1,460.00

During the month of February Ten Dollars of every paid service fee will be donated to:

The Quapaw Community Center.

The March recipient of City Plumbing, Heating & Electric’s “Give Back to the Community” campaign will be:

Friends of the Beautification Commission.

The employees at City Plumbing, Heating & Electric will decide a different charitable organization to receive this donation each month during the campaign. Now, not only can you have your plumbing, heating or electrical problems solved, but you can help a charitable entity.

You may see which organization they have chosen to donate to each month by visiting their website at www.cityplumbingandelectric.com.
