

CITY PLUMBING *Heating* & ELECTRIC

Donates \$1,340

January Press Release

One thousand three hundred forty dollars was donated to **The Jackson House** recently as part of City Plumbing, Heating & Electric's *Giving Back to the Community* program. This donation represented \$10 of every paid service call fee for the month of December.

Due to the present economic climate charitable and nonprofit organizations are experiencing hard times. *The Best Solution For All Your Service Needs* is City Plumbing, Heating & Electric's slogan to their clients, enabling them to give these monthly donations. The employees of City Plumbing, Heating & Electric have chosen **C.A.S.A.** as the recipient of their January contributions; **Quapaw Community Center** will be the February recipient. Log on to the company's website, <http://www.cityplumbingandelectric.com>, for more information and to view who is slated to receive the monthly donation.
